COLLECTING GUIDE

You may be curious about what all those numbers, symbols, and words on the cards mean. Here are the key details you need to know:

- 1 Character name and version
- 2 Ink color
- 3 Collector number
- 4 Artist credit
- 5 Rarity

The remaining numbers, symbols, and words on the card are for actual gameplay, which is just as magical and fun as collecting. To learn how to play, visit [DisneyLorcana.com](https://disneylorcana.com).
